Subject: Proposed Dec 20, 2016 LDF Tribe/EPA consultation meeting on Haskell Lake/Lust Site

Mr. Kaplan,

Attached is our proposed Agenda for Tuesday's Meeting .We will consider this government to government consultation only if the appropriate level of government is present for the meeting. Therefore we are requesting your presence along with appropriate legal and policy staff. We expect to discuss the issues identified on the Agenda so that we can come to agreement on our outstanding issues, particularly the pending MOA.

If this is not acceptable at a consultation level and on a government to government basis, further discussion will be needed to determine the substance and participation on any alternative meeting.

Sincerely,

Joseph G. Wildcat Sr.

Lac du Flambeau Tribal President
